Hazard report form: demolition

A plain form for reporting a hazard before anyone is hurt. Fill it in on site, hand it to your supervisor and keep a copy.

Example / general information, not legal advice. Edit it to suit your workplace and check current rules with your regulator.

ABOUT THIS REPORT

Report number

Date and time you saw it

Your name (optional if your workplace allows anonymous reports)

Site, building or area

WHAT YOU SAW

What the hazard is, in your own words

Exactly where it is
